Dear Mark:

Thank you for your generous contribution of \$75.00 as a pledge of support for affordable housing. Each donation we receive makes a significant impact on our progress in providing low-cost home ownership opportunities in the East Bay. We are currently building 40 homes on 105th Avenue in East Oakland. The first seventeen families have moved into their new Habitat homes at this site and are now experiencing the joy and responsibility of homeownership.

This spring (February 22-April 3), students from as far away as Connecticut and as close as Santa Cruz, are descending upon East Oakland to participate in an event called Collegiate Challenge: Spring Break '98. During Collegiate Challenge, students spend their spring break building homes with Habitat. The students pay for their transportation to our site as well as provide a monetary contribution to help cover the cost of the building materials they will use. Collegiate Challenge has become a fun and successful event for our affiliate. We appreciate the commitment and enthusiasm of the students who join us in Oakland.

Again, thank you for your generosity!

Very truly yours,

Joel T. Mackey
Executive Director

P.S. You can double your gift to East Bay Habitat if your company has a matching gift program!
